**Our Summer uniform of dresses and shorts can be worn from this term. Please see our website for full details.**

This half term we are changing our PE days to Tuesdays and **Fridays**. Please ensure all uniform and PE kit are labelled to help us keep track of and return any mislaid items.

Thank you.

**Welcome back to a new and exciting term at St Wilfrid's. We hope that you have all had a lovely Easter and a relaxing break ready to start lots of new and exciting learning we have planned.**

Our new topic is:

'How does your garden grow?'

In this topic we will be looking at different things we can plant and grow. We always start with a range of quality texts and lots of hands on experiences, including a fabulous trip to Field Farm.

Our topic after half term is called 'Amazing Animals' where we'll be learning about all different kinds of animals from around the world. We will start with animals that are familiar to us and then find out about those that we are less likely to see in our local environment.

Thank you for all your support, reading at home with your child. When children have reached 100 or 200 reads, they visit Miss Cousin who is always delighted to see so many of our class knocking at her door to celebrate their achievements! Well done to everyone and keep up the good work!

If your child has had their 5<sup>th</sup> birthday - they are no longer entitled to free milk. Please go online at [www.coolmilk.com](http://www.coolmilk.com) to register and pay if you would like your child to receive milk in school.

Can I also take this opportunity to remind you that children should be bringing water bottles into school everyday. In the summer term we often refill children's bottles.

**Trips to church**

If anyone is able to help us on Thurs 21<sup>st</sup> May (at 9.30am) by walking to church and back to school with us, please let me know as we always need adult helpers - Thank you!
