'Learning and Growing Together; Living Life in all its Fullness'

11th March 2026

Dear Parents and Carers,

Partake – Knights and Castles

To support our history topic next term, we have arranged for **Partake History** to visit school and deliver an exciting **'Knights and Castles' workshop** for Year 2.

The workshop will take place in school on **Monday 27th April** and will give the children the opportunity to explore what life was like in a medieval castle. Throughout the day, the children will take part in a range of hands-on activities, including:

- Playing with medieval toys and games
- Investigating and handling historical artefacts
- Becoming an apothecary and learning about medieval remedies
- Finding out how castles were defended, including looking at armour and weaponry

This action-packed experience will help bring our history learning to life and deepen the children's understanding of castles and medieval life.

In line with **our** Charging and Remissions Policy, we kindly ask for a voluntary contribution of £12.05 to help cover the cost of this visit. While contributions are voluntary, they are essential in helping us to provide enriching experiences such as this for the children.

Please make payment via **ParentPay**.

Thank you for your continued support.

Kind regards,

Mrs Allen
